Everybody's favourite scrapbook is specially designed to develop children's imagination and creativity through a variety of activities. The material is presented in a clear and simple manner, based on junior level language. The aim of **My Scrapbook** is to offer young learners the chance to learn and revise while having fun in English with their classmates. It also provides students with the opportunity to develop their presentation skills on a basic level through personalisation. Finally, through scrapbook exchange, students enhance their social interaction skills and strengthen their relationships with their classmates.

My scrapbook can be used in the following ways:

1. During the school year, for further revision.
2. At the end of the school year, so as to complete the course in an enjoyable way.
3. During the summer, so as not to lose touch with the language.
