of my life - suddenly - happy - finally - last summer - when

It was a day I will never forget!

It was a Sunday morning ¹ *last summer*. I was still lying in my bed when ² *suddenly*, someone knocked very loudly on the door. I jumped out of bed and I was running down the stairs ³ *when* the door opened! I saw a tall, thin woman with beautiful green eyes in front of me.

When she ⁴ *finally* spoke to me, I realised it was my aunt Ava from Canada. I knew her voice so well! We were always talking on the phone. "Oh, hi aunt!", I cried excitedly. I was so ⁵ *happy* to see her! I didn't know that she was coming to visit us, so that was one of the greatest surprises ⁶ *of my life*.

What a wonderful day!
