Διάβασε το παρακάτω κείμενο και συμπλήρωσε τα κενά με τη σωστή λέξη.

## A LETTER TO A PEN FRIEND

Dear Nicole,

My name is Christine. I am ten (ten / twenty) years old and I go to grade five. I have got blonde hair and brown eyes (ears / eyes). I am 1,56 metres tall and I am thirty kilos. I've got a small mouth (mouth / head) but my friends tell me that I talk a lot!

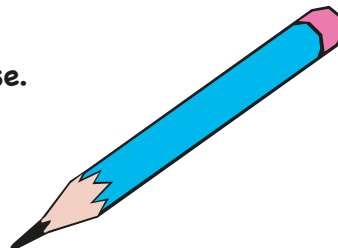

There are five of us in my family (suburb / family). My mother's name is Pamela and she is a teacher. My father's (husband's / father's) name is Edward. He is a bank clerk. I have got an older brother. His name is Tony and he fourteen years old. Katrina is my little sister's (sister's / cousin's) name. She's only five but she is very fast and her bedroom is always in a mess. I really love her a lot. I have got a pet (pet / partner) too. It is a small dog. Its name is Rudy. I play with my dog every day.

I haven't got much free time every day. When I have some free time I usually play tennis. I play tennis two times a week. On Fridays, I play the guitar (guitar / drama) and I go to dancing lessons. I also go for a walk (walk / documentary) every Sunday with my friends. I visit my aunt and my uncle every Saturday. They live near Leeds with my grandmother and my grandfather. When I have more free time on weekdays I go shopping (shopping / all over the world) with my parents.

My teacher's name is Patricia. She is a very good teacher. She has got green eyes and dark hair. She is young and my classmates like her too. She usually wears nice clothes and she drives a small car.

Write to me soon, please.

Your friend, Christine.
