

Super Fun?

Dear Student,

This Writer's Portfolio will help you keep a clear and correct record of all the writing assignments you have completed this year. In this way, you will have at your fingertips a reference document which you will find invaluable as you progress with your English studies.

Gathered together in your Portfolio, you will have plenty of examples of various types of writing, which you will find extremely useful when you have to prepare for examinations.

At the same time, it will provide you with ready evidence of your writing skills which you may wish to use in the future, when you are considering your further education and your career.

We wish you all the best!
