Scene 1 – Preparations for the race

Fox, Deer, Bear and Raccoon are resting near the river. Speedy Hare walks onto the stage, running. He looks and sounds very self-confident.

Speedy Hare: I am very fast. Come and look at me. Who wants a race?
But the animals look and sound indifferent.

Deer: Not me.

Fox: Not me.

Bear: Not me.

Little Tortoise slowly walks onto the stage. He looks and sounds friendly.

Little Tortoise: Speedy Hare, Speedy Hare! I want a race. I am sure I can win, but I want to train first.

Speedy Hare looks at Little Tortoise surprised, and then he starts laughing loudly. He speaks to Little Tortoise ironically.

Speedy Hare: Little Tortoise, Little Tortoise! You are very funny. I'm a speedy hare, not a fluffy bunny!
